

TRAINING WORKSHOP

LEADING COMMUNITIES TOGETHER

SATURDAY 29 JUNE 2019 - 9:30AM TO 2:30PM
GATEWAY HEALTH, 155 HIGH ST WODONGA

Are you an active community member or emerging community leader?
Do you currently serve on a community Board or committee?
Would you like to develop your leadership skills, confidence and impact?

Workshop details

We know that many in our community are passionate and busy people, working to improve their communities. Often at some stage this involves working with others who you may not know, and forming groups or committees to help make change happen. This workshop is about how you can get more effective and organised within your groups, understand how committees work, and how you and others on the committee can get your voices heard.

The Alpine Valleys Community Leadership is delivering this interesting and essential workshop for community members who would like to develop their community leadership and governance skills. The workshop will help you build strong community decision-making and collaboration skills, so together, we can make an even bigger difference in the communities we serve.

Some of the topics covered in the workshop, include:

- > The role and purpose of boards and committees;
- > The duties of board or committee members;
- > How to participate and have your voice heard;
- > Running effective meetings;
- > Understanding the finances.

Applications close: 9 am, 19 June 2019

Thank you to our partners:

The facilitator: Rob Carolane

Rob is an IAF Certified Professional Facilitator who has been working in regional Victoria since 2008 and is a graduate of the Alpine Valleys Community Leadership Program. Committed to enabling groups of people to find 'best possible' solutions to complex problems, Rob believes deeply in the benefits of collaborative decision-making and involving the people affected by the decisions being made.

This workshop also includes lunch and time to get to know others in our extended community. To assist in catering, we invite you to bring a plate of food to share. We are looking forward to something approaching a multicultural feast!
